

REMARKS/ARGUMENTSI. Introduction and Discussion of the Amendments

Claims 2-8, 11-13 and 16-26 are pending in the application. Claims 2, 6, 7 and 11 have been amended to clarify the claims and thereby overcome the objections thereto.

This amendment is respectfully submitted in response to the Office Action dated April 4, 2006. In the Office Action the Examiner objected to 2-8 and 11-13 for the reasons set forth on pages 2-3 of the Office Action. During a May 24, 2006 telephone interview the Examiner indicated that amending the preamble of the claim 2 and the other claims with similar objections would overcome the objection to the wording of the preamble. The other amendments are consistent with the Examiner's suggestions. Accordingly, it is submitted that the objection to the claims has been overcome and the application is now in condition for allowance.
